

Thank you for your interest in our effort to support the families, communities and schools in your School District through the **WEEKEND FAMILY MATINEE PROGRAM**.

This program will bring quality G-rated movies to **THE EDWARDS THEATRE** in Idaho Falls, ID for your students and their families to enjoy, while also providing financial support to your schools.

The program consists of four (4) new G rated family movies, one of which will play every weekend for the next year at 12:00 PM and 2:15 PM on Saturday and 5:00 PM on Monday, at The Edwards Theatre. The Edwards Theatre is located at 2707 South 25<sup>th</sup> East. The phone number for the theatre is 208-552-7544. Each of the shows will run consecutively for 10 weeks with a 3 week repeat run to make sure every one who wants to attend has that opportunity.

While the Weekend Family Matinee Program raises money for local schools, it does much more to help the area. The program encourages good character-driven values, brings families closer together through the messages contained within its movies and strives to enhance civility within the community. By participating in the program, the communities will be able to contribute to local schools while enjoying wholesome family entertainment.

\$5.00 per pass will go to support education, with no more than \$.25 going to the Granite Education Foundation, who is the national sponsoring organization of the program and the remainder going to the Bonneville and Idaho Falls Education Foundations, as the local sponsoring foundations. That means that the Bonneville and Idaho Falls Education Foundations will each receive at least \$2.37 for each pass sold.

Our goal is to raise \$20,000.00 annually for the school districts participating in this effort and at the same time make sure the families in our area have positive, uplifting films which strengthen the home and the community.

Thank you for your interest. If you have any other questions or concerns please feel free to contact us at 1-800-480-4084.
